March 31, 2005
9:00 a.m. – 11:40 a.m. (2 Hours, 35 minutes)
Swansea Recreation Center
2650 East 49th Avenue
Denver, CO 80216

Meeting called by: Vasquez I-70 Working Group

Invited Participants: See Attached
Spreadsheet

Type of meeting: Reporting, Q&A, feedback,
discussion, planning, decision-making –
depending on the issue.

Facilitator: George Weber, George Weber
Inc. Environmental

Please read: Outline of CHP up-date.

Recorder: Jennifer Chergo, EPA
Community Relations

Desired Outcomes:

- Participants have been up-dated and provided feedback in re soil clean-up progress, CHP, and EPA-CDPHE top managers' response to Dr. Kosnett's letter in re how residences will be qualified for external lead based paint abatement under Superfund.
- Partners cooperating in Program reaffirmed commitment to community representation & involvement as general guiding principle in carrying out remaining work of all Program components, specific actions achieving this positively and pragmatically are identified, actions on which affected partners can agree identified, and next steps on how to address actions on which affected partners cannot agree identified.
